

Training Room

The training room is the larger of the two rooms (30m²) available in The Source. It is able to comfortably seat 30 people "theatre style" or 18 people seated at tables.

The tables can be laid out in a variety of ways, to best suit the occasion.

The Source Coffee Shop

Access to the training room and meeting room is via The Source Coffee Shop.

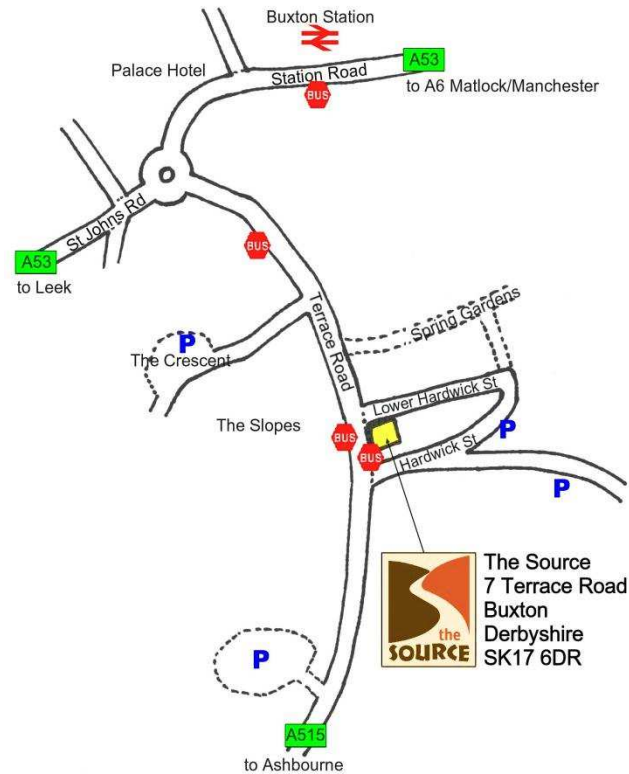

The Source looks like a commercial coffee shop, we have aimed for professional excellence, but it is in fact a not-for-profit community project, owned and run by Buxton Church in the Peak.

The coffee shop is currently open Monday to Saturday and is staffed by a team of trained volunteers and paid supervisors.

The coffee shop staff will be happy to cater for your group. You can order individually from the usual coffee shop menu or we can arrange anything from a cold buffet to a hot meal; just discuss your requirements when you book the room.
